

Dear Partner

DMB Technics is continuously growing and therefore is expanding our team, so we can move forward for a fruitful future. It is our big pleasure to inform you that we could engage a Sales Manager and a FAE (field application engineer), both members are located in Switzerland.

Richard Günther has long experience in the Sales and Key Account Management and he will take care on some strategic key customer, new customer and for all our customer in the French Area as his mother language is French. For any contact you can reach him by email / Tel.:

r.guenther@dmbtechnics.com / +41 41 784 31 16

Ante Kutlesa, has just finished his apprenticeship as electronic engineer by Siemens Building Technologies. Ante will support our Project Managers in their daily work. He is well educated in measurement technologies and electronic design. You can reach him by email / Tel.:

a.kutlesa@dmbtechnics.com / +41 41 784 31 15

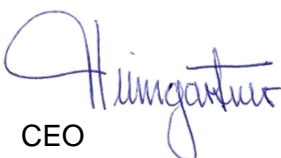

We are proud that both have taken the opportunity to join the DMB Technics team. With their power we are confident that we can do a further boosting for our business, therefore we are looking forward to welcome them warmly in our team.

With best regards

DMB Technics Ltd

Dieter Heimgartner

CEO
