

## Award for DMB TECHNICS AG

Leica Geosystems AG has honoured our professional and excellent work at the area of custom made passive LCD Modules and Semicustom TFT.

DMB Technics has met all the sophisticated technology challenges and can help therefore Leica to secure their leading market position.

We are proud to receive this award for our on-going and proactive services which we grant to our customer. Next to the whole team performance the superb commercial project Management is Key for this award.
