

Increase of Sales-Power at DMB Technics AG

Dear Partner

DMB Technics gets a new Sales Manager for Germany. Our business is excellently moving forward and the outlook for the next years is very positive.

It is our pleasure to inform you that we could engage Johannes Billig as Sales Manager Germany; he is well known at the German electronic market place.

Johannes worked as a Strategic Purchaser several years for a value added EMS partner, Zollner Elektronik AG in Germany. Next to other electronic components he managed the Display Business.

We are proud that Johannes has taken the opportunity to join the DMB Technics team from Nov. 1st 2012. With his power we are confident that we can do a further boosting for our business, therefore we are looking forward to welcome him warmly in our team.
