

Dear Partner

This year we celebrate the 10th anniversary of DMB Technics Ltd .
Since the company foundation our headcount has grown continuously.

We are now in a position also to support the young professional and have created an apprenticeship training position in our company.

We are proud to welcome *Ashley Dettling* as our first apprentice.
She started in August 2015.

In her 3 - year apprenticeship Ashley is encouraged and challenged in our departments Finance/administration, logistics, Marketing & Sales.

We welcome Ashley in our team and looking forward to 3 exiting years.

With best regards
