

Dear Partner

Due to market trend that our TFT products are getting more and more highly demanded we have established a new position for Product Marketing specially for all TFT products.

Eva has a commercial education and a Swiss Federal Certificate in Marketing and Sales. She has worked in different industry generally in Sales and Project Management and could therefore get a broad knowledge. Eva supports all our Sales Manager with TFT marketing knowhow and is the main window to evaluate our TFT push products in front of our supplier partners.

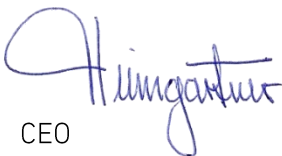

e.landolt@dmbtechnics.com / Tel. +41 41 784 31 19

We are glad that she is now a member of the DMB Technics team. With her support in pushing the right TFT products for yours customer demand we are sure that we can develop this highly asked sector in front of our supplier partner and customer. We are looking forward to have a further competent teammate.

With best regards

DMB Technics Ltd
