

Dear Partner

DMB Technics is well growing and we can steady expand our business. As our business is mainly focused to custom made displays, we are aware that a close relationship to our suppliers in Far East is essential. The increasing number of projects as well as the involved suppliers gave us the motivation to establish a new position "Manager Supplier Relationship" in Far East. The Manager is based in Taiwan and is in frequent contact with our suppliers in Far East. With the new position we have an additional support for:

- Supplier evaluation
- Supplier audits
- Supplier development
- Assessment of Purchasing and Sourcing processes
- Support by Quality analysis and Quality Audits
- Project Leadership and Execution
- Guidance in Product development
- Task Force Management

This new position is hold by Mrs. Maggie Yang. Maggie has a long and well-founded Display experience. She worked for different LCD manufacturers and has therefore a wide and deep know-how of LCD - product and process technology.

We are sure that with this new position DMB Technics can act faster and more efficient at the supplier side. Therefore our customer can profit from this additional service. We welcome Maggie in our team.

With best regards

**DMB Technics Ltd**
