

EDT Value Line

In order to meet the market requirements EDT expanded their product portfolio with a new line – the Value Line.

With some different combinations of the same features as the High Line, they have added display modules 5.0", 7.0" and 10.1" to the Value Line. All come with Cap Touch.

Please find below an overview of all modules with their specification.

Panel size	Resolution	Part Number	Op. Temp.range	B/L Brightness	BL Lifetime	View.angle	RTP	CTP	Info
2.0"	176RGB*220	ET020009DMU	-20 ~ +70°C	280 cd/m ²	30K hrs	70° 70° 70° 60°			
2.4"	240RGB*320	ET024009DMU	-20 ~ +70°C	250 cd/m ²	20K hrs	70° 70° 70° 50°			
3.5"	320RGB*245	ET035011DM6	-20 ~ +70°C	250 cd/m ²	20K hrs	65° 65° 45° 65°	✓	✓	
4.3"	480RGB*278	ET043008DM6	-20 ~ +70°C	268 cd/m ²	20K hrs	70° 70° 70° 60°	✓	✓	
5.0"	800RGB*480	ET050002DM6	-20 ~ +70°C	350 cd/m ²	40K hrs	70° 70° 50° 70°		✓
