

Dear Supplier,

The market situation in Europe is very positive, so DMB Technics is increasing the team, in order to expand our business continuously. We engaged a strategical Supplier Relationship Manager to improve our overall performance.

Piero Pensa has a long practise in the evaluation of suppliers and improvement of the supply chains. He has started on the 1st of May, 2019 and will work closely with our suppliers.

He is also experienced in supplier-, process and product audits. Therefore, we are confident that Piero will establish a Win-Win situation for us to sustainably increase our business.
